## PROJECT PROGRESS AND KEY UPDATES

The Moodle training platform is under creation, which is identified as the best way to reach the target audience and achieve project goals of the comparative analysis.

The presentation of Upskilling Labs was shown and provided details about the platform, its goals, potential difficulties, methodology, course structure, and monitoring and evaluation plan.

This space is designed for young people to build key skills, from critical thinking to teamwork, preparing them for the global job market.

## UPCOMING EVENTS

As the SWITCH project gains momentum, we are excited to share plans for our upcoming Info Days! These sessions are designed to raise awareness, engage communities, and provide detailed insights into the Virtual Academy, Upskilling Labs, and opportunities for young people and educators across Europe and the Western Balkans.

## UPDATES AND ADDITIONAL INFORMATION

The SWITCH project, aligned with Erasmus+ priorities, aims to foster intercultural dialogue and enhance soft skills among young people and youth organizations across EU-associated and non-associated countries. Our goals include bridging gaps for disadvantaged youth, preventing digital and cultural risks, and developing skills through innovative online methodologies.

Thank you for your dedication and collaboration. For any questions or additional information, please reach out to the project coordinators.
