OCTOBER 2024

PROJECT PROGRESS AND KEY UPDATES

Partners are finalizing the core modules and resources for the Virtual Academy, which will provide comprehensive training for educators in digital and intercultural skills. This content is being tailored for accessibility and engagement, with support for multiple languages to reach all participants effectively.

RECENT EVENTS

We are committed to creating a supportive and collaborative environment, where youth can gain hands-on experience in virtual education methods.

GOOD NEWS: Info days were organised successfully by all the partners, it was an opportunity to present the project, its objectives, aims, importance, upcoming and completed activities to young people around Europe and abroad.

GENERAL INFORMATION

The SWITCH project, aligned with Erasmus+ priorities, aims to foster intercultural dialogue and enhance soft skills among young people and youth organizations across EU-associated and non-associated countries. Our goals include bridging gaps for disadvantaged youth, preventing digital and cultural risks, and developing skills through innovative online methodologies.

Thank you for your dedication and collaboration. For any questions or additional information, please reach out to the project coordinators.
