

# Newsletter #21

JANUARY 2026

## PROJECT PROGRESS AND KEY UPDATES

In January, we started the year by focusing on educational technology, digital innovation and effective online learning practices. Participants explored digitalisation of educational systems and examined best practices and case studies related to EdTech in educational institutions.

Through workshops and collaborative discussions with educators, they reflected on current challenges in education and the growing role of technology in teaching and learning environments.

Also, practiced on planning and online content strategies. Also, they got familiar with digital tools through simulations and practice exercises that improved intercultural dialogue and teamwork.

Through all activities, intercultural dialogue and feedback sessions participants were encouraged on skills that promote teamwork, communication and different cultural perspectives on education and digital learning.

## GENERAL INFORMATION

The SWITCH project, aligned with Erasmus+ priorities, aims to foster intercultural dialogue and enhance soft skills among young people and youth organizations across EU-associated and non-associated countries. Our goals include bridging gaps for disadvantaged youth, preventing digital and cultural risks, and developing skills through innovative online methodologies.

Thank you for your dedication and collaboration. For any questions or additional information, please reach out to the project coordinators.
